How can you find us!

Mini Brum, rent a car, is located ONLY in ferry port of Sobra.

You can reach Sobra ferry port by car ferry from Prapratno (Pelješac) or by catamaran from Dubrovnik, Šipan, Polače and Korčula.

If you come from Split, Brač, Hvar, Korčula by catamaran "Kriilo", your catamaran will arrive to Pomena which is 33 kilometers away from Sobra.

As we do not have a public transport on our island, there are two possibilities how you can reach us from Pomena:

You can take a taxi or you can come by our Mini Brum van.

If you want us, Mini Brum staff, to pick you up from Pomena, you must make a reservation by email in advance. The price of our pick-up service from Pomena is 75 Kn or 10 Euro per person and direction. Payment is only in cash.

We do NOT deliver our cars to your address.

If we are not too busy, we can sometimes make an exception to the rule and pick you up from your apartment. We will drive you to our office where you can rent a car.

You can rent a car ONLY in Sobra and give it back only in Sobra in our office.

Payment – Cash & Credit card
